

***“Managing the Symptoms of Multiple Sclerosis”***

**Randall T. Schapiro, MD**

***Please join us for this complimentary educational dinner program.***

**Thursday, April 22      6:00PM – 8:00PM  
Marriott Hotel, Hwy 41, Evansville, Indiana**

**RSVP by April 17<sup>th</sup>    423-5943 or 1-866-514-4312**

**Randall T. Schapiro, M.D. is the Medical Director of The Schapiro Center for MS at the Minneapolis Clinic of Neurology and a Clinical Professor of Neurology at the University of Minnesota. Following a short stint as a faculty member and director of the MS Clinic at the University of Minnesota he founded the first comprehensive MS Center in 1977, The Fairview MS Center, which was renamed, The Schapiro Center for Multiple Sclerosis at the Minneapolis Clinic of Neurology in 2004.**

**He was the first elected president of the Consortium of MS Centers, an organization which he helped found. Dr. Schapiro has participated in the development of the Heuga Center, a wellness center for MS based in Colorado and was given their "Can Do" award.**

**Dr. Schapiro has lectured and written extensively on all topics associated with MS Management nationally and internationally. While he has participated in numerous research studies Randall Schapiro, M.D. is best known for his educating and patient management style often using humor to teach some sensitive topics.**

***This educational program is sponsored by EMD Serono and Pfizer***
